“ *Belated >>> Sadly, we didn't learn of Lonnie's passing until Mar 1st. Danny & I cherish our several visits with your mom while she lived in Quinland & later in St Albans. One of the highlights on those visits was her showing me her treasured quilt collection and the beautiful quilt pieces she was working on next with such pride & dedication. Equally proud she would show us her family pictures and of her newest grandchildren when they were born. Our memories of those visits with your mom will be remembered & treasured always... and we want you to know that we keep each of your families in our heartfelt prayers in the sad difficult times ahead. May God be with you all... Danny & Frances Hager*

Debbie, I am so sorry for the loss of your mother. She knew you loved her; I'm glad you got to spend time with her before she passed. I can't believe my mom has been gone since April 4, 2011. I have her picture on the wall right beside my chair so that I can look at beautiful smile everyday. I know both of our moms are at peace. Think of their beautiful smiles through your tears. Love you.
