“ *Dear Daddy,  
I don't know why and i never will but i want you to know as i told you before i appreciate you and i was always grateful to have you as my daddy. We had our ups and downs but through it all we was always daddy and daughter. The past few years i think we grew to be stronger and i will never forget our phone calls and talks we had. We cried together laughed together and even argued together but most of all we loved each other. You was the best daddy ever*

“ To Wanda and the entire Smith family my thoughts and prayers are with. I worked with Lonnie at Tasty Blend for many years and thought the world of him. I just spoke to him on the 22nd it's hard to believe he's gone. I wish I could be there for his services but I won't be back from Cleveland Clinic with my wife in time. Just know that I will be there in my heart.
