“ *Lorrie, I just miss you much. Mrs. E., I can only hope that you are able to understand how much we all will continue to miss her. Just such a special woman. Can't stop expressing my feelings of loss. Steve, boys and daughters in law, the shock is just so unexpected that it makes everything even worse if that's possible. Lauren, Colin and Caitlyn, I hope you will understand ,as you mature, that her love for you grew daily.*

Michael

Except for Granny,I doubt that any of you will know me. Believe me when I say that no one was more important than my own family. Again, I can't begin to adequately express my loss.

“ *So sorry she has left us. Though we had a huge gap since last seeing each other on Eathan and writing recently, , she was forever in my heart. You were all so precious to her but none more so than the three little ones. So sad for your loss.*
