“ When I think about Lucas, I think about all the good times. Whether it was riding roller coasters, sling shot, zip line, working on the addition to the house, pool decks, or past Christmas's and Thanksgivings. He always had a big smile and was happy to be with his family. The last time I saw him at Sheetz he came and gave me a huge hug, told me how much he loves and missed me. He had a huge heart and leaves behind a hole on this earth for all who really knew him. He loved his family! Rest peacefully Lucas! ❤️❤️

“ *I think I will remember Lucas for that great big smile that he always had. The best memory I have is shortly after his Momma passed away and he and Mike came to a dinner. Lucas wanted to know what he could help with and I told him to just enjoy his meal and visit a little with everyone. A little later when I came into the kitchen, he looked up from the sink with that big smile at me. He was washing the dishes. I proceeded to scold him and he said “Aunt Joetta I have to help out.” He will be missed. Prayers that God holds Mike and his family tight through this valley.*
