“ Luke always would give me a hug and say hey Aunt Tara I love you . He had so many sweet things about him . One of the things he would do is when he would come over is go in my pantry and get his protein bar for a snack . He loved the ones I bought . He knew where I kept them and knew I had them . I loved that he was comfortable in my home to do so . He tried every flavor I had to see which ones he liked the most . Aunt T Tara

“ Though we have many many memories, with Luke being my youngest Grandchild. One of my favorite things was every time he seen me, I'd get my hug and he'd say "Hug bug, smooch pooch and licky Nicki" and pretend he was going to lick my cheek. If course he didn't. It sure gave us both a giggle. That's what he was great at. Making people smile. Always lit up a room!  
I love ya buddy!
