“ *Both my sons and I will always remember the "issue" she had every time they would wear an Atlanta Falcons shirt to school. She would make a special trip to my room to ask if the boys owned any other pro team clothes...like Pittsburg. Of course, that just made them want to wear it more often..so it was always in the wash. I will always think of her contagious smile, love of her job, and her sense of humor. Love, Bonnie*

“ As we drive up Route 60 we'll stop at The Falls and smile remembering all our gossipy lunches. Every time we find a new antique shop or a dark and musty flea market we'll remember all the fun " haunts" we explored together in Lewisburg.. If we are on a quest for "historic exploration" we will howl with laughter remembering our last trek up the mountain to find the elusive Civil War Battlefield. One of the neatest memories we will all have is our dinners at Angela's on the River . We shared Holiday dinners, conversations with friends, and very good food. Love, Sonya, Linda and Harriet
