“ *I started building my relationship with Margie in 1990 when we moved in to our home across the street from her home. Margie was there waiting on us when we brought both of our daughters Heather and April home from the hospital. We went camping together, we worked on projects around our house and her house , we spent alot of time together. Margie was like a Mother to me , she was part of our family .*

*I want to send my condolences to the family , I pray the God will encourage and strengthen you in the days to come .*

*Margie , Thank you so very much for everything you did for me and my family, I will always Love and remember you .*

“ I am blessed to have Rick and Alice as my friends for a long time now. I am so sorry for your loss. I wish I had met your mother Rick. Alice has told me so many great stories about her and I'm sure she will be missed. Granny always made me the best chex mix every year and everyone I allowed to have a bite would rave over it. Rest in peace Granny and lots of love and hugs to the whole family.

“ *Margie and I have been neighbors and good friends since 1974. She was loving and kind and wonderful and caring. I will miss our long talks about absolutely everything - and her happy laugh and big smile, For decades, until her early eighties, Margie would take an entire day to decorate her lovely back porch for Halloween. It was a delightful treat that people of all ages enjoyed and looked forward to seeing year after year.*
