“ *i am so sorry to hear of Margie's passing. I wish I could remember far more things about her than I do, but we certainly went to school together for a lot of years. She was a year older than I, so she was probably a year ahead of me with Standly Torman and Russel Cyrus, etc., but quite certain we went to school together for most of our years from when I entered the 1st grade until she graduated from HS, probably in 54, as I graduated in 55. I was at Central School in my 6th grade year because my Dad got the School District to send me, Billy Womack and Darrel Torman to Central School for the 6th grade. Certainly we rode the school bus together through lots of those years. I'm supposing she may have had a year at Fairview, but may have gone directly from Robinson Grade School to SAHS for 7th grade. What a beautiful lady. Lived a mile up the road, first house above Robinson Methodist Church and Robinson Grade School.
My condolences!
