“ *Margie always had a smile on her face every time I would see her on her porch and she would wave at me every time. She was a great lady.*

“ *Margie always had a smile for others! She truly loved her boys and always did whatever she could for them. She always considered me a part of the family and always told me she loves me. I will always love and miss her. To her son's, if you need anything, talk, hugs or help with anything let me know. Love to all.*

“ *Dear Donnie, Chris, and family, I've very sorry for your loss. Your mom was proud of all of family and loved you all very much. I enjoyed visits with her in the nursing home when mom and her were there at the same time. She knew just what to say during the breif conversations and was always very kind. May God Bless you with good memories of wonderful times spent together in the difficult days to come. Linda and Randy Parsons*
