“ *Went to high school with Marie! We reconnected through Facebook over the last years. She was always so encouraging, sweet and kind. A person that will be missed by so many. I know she is meeting old friends and making new ones in Heaven.*

“ *I had only recently reconnected with Marie. She was my babysitter when I was little. We were friends but had lost contact over the years. She recently contacted me on facebook and I was so happy to hear from her. May God bless her with Paradise and may she rest in peace.*

“ I grew up living next door to Marie and JoAn. Marie was older than me but she was always so beautiful and kind. I haven't seen Marie since before I left Charleston in 1974 but her beauty shines through in this picture and others that I have seen. Luckily we became friends on Facebook a few years ago and we reconnected. RIP Marie.

“ Marie came into our lives in late 1970. A blessing to our family. She took care of both our children, Tacy and Joel. What a wonderful gal. She was so caring and took care of our children like they were hers. Tacy and Joel loved her. Thank you Marie for all you did for us. We are forever grateful.
God Bless you . Rest In Peace. God speed.

A wonderful friend and one of the kindest people I've ever meant. We were friends in high school and she was such a comfort when I lost my other best friend Carol McGhee last year. RIP sweet Marie. You will be missed.

“ *Our deepest and heartfelt condolences and prayers to the family. I have such fond memories of singing karaoke at Griff's in South Charleston and Marie would always request that I sing "Daddy's Hands" (Holly Dunn). I can just see her sweet smile as I sang that song... I believe it held a special meaning to her. She will surely be missed here on this ol' earth, but she's now in the hands of her eternal daddy Abba Father! We'll meet again one sweet day dear friend!*
