like to mention, Brandon and Darryl. Thank you for all the memories. Paige was a former student at Marshall University and a former mail carrier with the United States Postal Service in Huntington. Paige had a smile that could brighten any room, she greeted everyone with a big bear hug and was without a doubt, the life of any party. Paige loved the WV Mountaineers, the North Carolina Tarheels, going to the beach and anything outdoors, especially playing in the mud with her jeep.

The family would like to thank the Point Pleasant Fire and Police Departments, along with all of the volunteers from other locations that played a role in her recovery. Thank you to everyone for all of the food, cards, phone calls, thoughts and prayers. Also, a special thank you to her Buffalo High School classmates that held her candlelight vigil.

“ Young Lady, I never met you, but judging from all the wonderful things I have read and heard about you we would've been good friends if we had met. Since the day this happened til now I have prayed for you and wished I could have been there and stopped you. I'm terribly sorry and sad that you were hurting so bad that this happened. You were a beautiful young woman and I hope I meet you on the other side one day. Rest Peacefully In Heaven Paige.
