“ Dewayne, I only met Jane the one time in Kroger's when we ran into you, but she was very nice! I could tell how much you two loved each other. I am so very, very sorry for your loss. I know there is nothing that will take that pain away. I sincerely know because you lost a piece of yourself & I know what that feels like. Just hold in your heart the love that you had together & know that someday you'll see each other again! If I can ever do anything to help you please let me know. “ She held my hand during a very painful biopsy, she sat with me at the surgeons office to find out results, she sent me a card when I lost my cat, she shared coffee or water on the front porch and talked about our kids and work and family and flowers and birds and squirrels and her beloved dogs. We talked of loss (Miss Helen and her mom and dad) We laughed over stories of her boys and Dewayne and my grandchildren. She always looked for ways to encourage everyone even when she was in pain. We cried together at her kidney specialist appointment. She would buy us gifts for no reason at all, just because she was thinking of us. She cried with me for years when I was missing my son. She was the best neighbor and friend you could ever ask for, and she loved her Dewayne, her boys, and Ashley with all her . She loved her Sunday dinners with her family. I will miss her ALWAYS!

“ This was a very very sweet woman and mother. I grew up w/ this family and going to 'sleep-overs' all the time when I was younger. Me and Jane's two sons, Jacob and Jordan, had a baby powder fight upstairs when we were all very much younger. Jane was so furious but the next day and years after it became such a comical memory! I will never forget doing that. Jane, you were an excellent mom and lovely woman who will never be forgotten. It's only goodbye for a little while before all of us will be coming together again.

“ I am blessed to have many wonderful memories of Jane and the Dent family. Our families spent a lot of time together while my daughters Leslie and Kristen Bragg and her sons Adam, Jake and Jordan were growing up. I met Jane when we were homeroom volunteers at Alban Elementary. Over the years we helped plan many school functions, PTA meetings, Christmas plays, carnivals, holiday parties, sporting events, baseball concessions, birthday parties and hot dog sales. Making hot dog chili for events was one of our favorite things to do. We would try to see who would make the best batch. It was always good no matter what we did! Jane was someone you could count on and I was lucky to have her support all those years. She made being a volunteer fun. I always admired Jane’s kindness, giving and deep love for her family. She was an inspiration to all who knew her and will be greatly missed.

“ I did not know you, but I wish I could have. I do, however, know one of your sons, and he is certainly a fine young man. His attitude and disposition tells me that all of your children have surely become decent, respectable people. I'm sure your motherly influence has attributed to such a wonderful family. May you rest in peace and may your family find peace during this difficult time.

“ *Dear Dewayne and sons, I was shocked to hear of Janies passing. She was such a good loving person. Whenever I saw her, she always had a smile on her face. I know you and the boys were her pride and joy. I wish there was something I could say or do to help you guys in your grief. I know Janie had health problems, but I never thought she would leave so soon. Janie would always speak so proudly of her sons, and Dewayne, you always kept her laughing. Please know your family is here if you ever need us. We all love you and hope God helps you thru this painful time. We all know she will not be in any more pain, but that wont stop the sadness of losing her. Just remember all the good times and memories you shared together and I hope that will bring a smile to your face. Janie loved you guys with all her heart, but God has different plans for her, and they can only be made in Heaven. You have always been a great cousin and friend and if you need anything, just let me know. Love you forever, Janie, Rodney and family.*
