“ *I remember Marvin when we were in our 20's. I remember him as never meeting a stranger and always smiling. RIP Marvin.*

“ *Marvin always had a great smile in High School. He never complained about hot practices in the band, and NEVER complained of his physical problems. As Home on the Range says, " never a discouraging word". He will be missed by many. Dr. Daniel F Miller*

“ *I wanted to send my deepest sympathy to Marvin's family. I knew Marvin from Stonewall and he was always so upbeat and nice, but with a little naughty streak. He will be missed by many. So sorry for your loss.*
