“ *To Mary's family, we are so sorry to hear of Mary's passing. We remember all your family from our times together when Bert was with the Sheriff's Dept. We shared many meals and good times together. Especially those Cowboy football games. Kelly, do you remember going with us over to the Springer area and going hunting? We had good days together and have never forgotten our friendship with the family. Our thoughts and prayers for you all.*

“ To Mary's Family,

I have known Mary for over 20 years and share great memories of her with all my sorority sisters. We talked on the phone once she moved to West Virginia and tried to keep up with what was happening.

She called on May 17th to tell me she could speak again! I was leaving for the hospital to have my aortic heart valve replaced and she said to be sure and tell her how the surgery went. That was the last time we spoke. I am home now and doing well. We all get "stuff" as we age.

My sympathy to all of you. I will miss her as I know you will too.

*Sincerely,
Carole Curry*

Thank you, Carole. Mom loved her friendship with you. Things happened very quickly and we were told you were still in the hospital. Hope you recover quickly. We'll keep you in our prayers.
