“ *I worked with Roberta at Genesis. She was one of my favorites I would walk in and she would say Hazel what do you want. My name is Ethel but she said I looked like a Hazel so that's what she called me. We spent a lot of time talking while I was working with her. She told me about her wonderful sons that she loved. We also talked about her favorite team the Steelers. If I wanted to stir her up a little all I had to do was say something about her Steelers. She was a very beautiful and lovely lady. You were very lucky to have her for a mom. I just wanted to let you know that I also loved her and let you know how sorry I am about your great loss. Ethel Moore*
