“ *Some Things Last Forever, & The Impression Mary Left On My Heart & Soul Forever Changed Me. Past & Future!  
I first met Mary at her prom in WV (2007). My roommate in KY was seeing a friend of hers and he canceled last min. 10 years later (after moving to WV for 2nd time from NE) I became her nursing supervisor. I think it took a barely a week or two working together to connect the dots. Me & her clicked so long ago proving impressions last. She taught me the value of self-love, self-respect, and that I'm & was always worth the same from & to everyone!*
