“ *Dan,*

My heart truly goes out to you...it's hard to understand why things happen the way they do sometimes..... I know that I have always had the greatest respect for the both of you.... You were a great leader for me and I learned a lot working for you...you were tough at times but, hey I needed it.... I appreciated you and thank you.... Matilda, I had the greatest respect for having to put up with you... No seriously it was a great pleasure to know and work with Matilda... She was an extremely special person, and one of the most kindness, giving, and caring people I have enjoyed being around... Always pleasant and cheerful.....she will be missed by many people... We can have comfort in knowing that she is in a great place now....my thoughts and prayers go out to you and your family...

Sincerely,

Theresa Boley

“ I never knew a kinder person than Mathilda. She always had something nice to say about everyone. I don't think I ever heard her say anything bad about anyone. She could always find the positive side to any situation. She had a heart of gold. Truly one of a kind. My prayers for her family.
