“ To Linda and all So sorry to hear of your loss. For some reason I can't help but remember Matt catching tadpoles ~ being amazed at it all ~ running and playing, and then all of a sudden he was graduating college and moving clear out to Kansas! I think he had a good life and, now, atleast he is not suffering with the illness anymore.

I hope God will give everyone Peace and Strength to get thru this very sad time.

Love you all. Donna Sanderson.
