October 7, 1989 - December 28, 2014

Megan Elizabeth Amory, 25, of Hurricane, WV, passed away Sunday, December 28, 2014 at her home.

Born October 7, 1989 in Wheeling, WV, Megan was the only daughter of Michael and Sandra Amory.

Megan was a graduate of Winfield High School in 2008 and a member of the General Admission show choir at Winfield. She continued her studies of dance and theater at Point Park College Pittsburgh PA, and at West Virginia University. She was a part of Morgantown Dance, January's School of Dance, and Jeslyn's Dance in Huntington.

Megan was a beacon of compassion and hope to those around her, without ever realizing it. “ *Sandy and Mike, I am Nikki's Aunt Teresa. I've studied writing for a lifetime, but words fail in the face of such an enormously tragic loss. Our whole family has been brought to tears over Megan's passing on more than one occasion this week. I weep as I write this, but (as imperfect as words may be) I feel the need to say something. I remember so well the first time that I met Megan and both of you. Lois and I took Megan and Nikki out for the day and met you two at a fireworks display in Charleston. She was a witty, beautiful, energetic whirlygig of a child that day (constant motion and so much excitement to have made friends with our Nik). The two of them clicked. Innocent 12-year-old girls giggling away and enjoying themselves as young gals do. I choose to remember her that way, bubbling over with happiness and energy that she could not contain. I believe strongly that we should remember those we love by the way they lived in their happy times when their choices were fully theirs to make and not to let anyone be defined by whatever brought an end to their living. She knew happiness. She knew promise. She knew love. May you find some comfort in the vast amount of good that Megan embodied in the days to follow. My deepest sympathies to your family and all who loved her.*

“ Thinking of Megan and her parents. You don't know me but my name is Cindy and I was one of Megan's Managers at Taco Bell. She was a very sweet girl, I didn't know her well or for very long but she spoke to me about her dancing and how she wanted to go to NC to begin her future in dancing. I do know how much pain you are in for I watched my sister go through the same pain for 13 years after she lost her son, then I lost her. I'm am sorry for your loss , I will never forget your Megan, she was a bright girl and a good worker for us. We will be thinking of you, may god bless you.
