“ *I have known sweet Megan for years. We met her when she worked at Applebee's. She purchased my Mom and Dads home recently and they were in the process of remodeling it to make it their new home. I'm so very sorry for her family. Megan is no doubt flying with the Angels. She was a beautiful, blue eyed Angel on earth, I'm sure she is even more beautiful now. Fly high Megan! Prayers for those left to grieve, especially her little boys.*

“ *I went to church with Meg and her family at CLBC in WV. But I really got to know her when I was her fourth grade teacher at Rock Branch Elementary. Meg was tiny, but with a big smile and a big heart. It was a joy to see her grow up and have babies of her own. Janie and family, we love you. Your Meg will always be in my heart. So glad I got to be her teacher!*

“ As I made my deposit last Saturday, Megan cheerfully suggested a get my sucker from the top of the counter smiling from ear to ear and making me feel like family each and everytime I visited Suntrust.

I and my family knew Megan only professionally through Suntrust bank but her personal interest in each on my family members exemplified her everyday caring of all people. Megan lit up the world with her beautiful wide smile and hair, yet it was her personality and consistent positive thinking that was most impressive.

My son, Ace and my wife, Judy immediately dropped to our knees to begin praying for Gods will with Megan.

I have taught in Putnam County for 35 years and so appreciate the wonderful people who live in our county. Megan Haynes was one of the best of the best and brightened the world of whoever came in contact with her.

My family continues to pray for Megan's family and ask that you lean heavily on God to see you through. There is only one set of footprints in the sand as God carries you through.

May Megan forever be smiling in heaven as someday her entire family will reunite there.

Suntrust employees grieve and then continue be people persons as Megans spirit shines through your hearts.

From the Heart,

“ *Megan was such a sweet soul. She was always so happy to see you even if it had been years since you had spoken. I last saw Megan at the trunk or treat at George Washington middle school in October. She was so kind to ask me about my family and daughter. I cheered with Megan in middle school. She was just someone you wanted to know and be friends with.*

“ *Megan had the sweetest spirit. When it came time for my wedding she helped with so many details. She spent hours helping me put together our boquets, searching for bridesmaids dresses, and she played a profound role helping me get ready without question or grumble. She was selfless, every day. We had lost touch over the last year besides our short visits at Kroger. I will miss seeing her smiling face every time I go grocery shopping. She was a beautiful soul and will be greatly missed.*

“I met Megan through a mutual friend in 2005. For the next couple years that followed, we hung out constantly. Though we hadn't been in touch in recent years, I will always remember the fun times we shared together. A couple of my favorite memories with Megan are doing her makeup for her wedding, going with her to get her hair done for her wedding, watching her excitement as she got ready for her big day, spending my 21st birthday with her, and working with her for several years at a salon. It was hard to be in a bad mood if Megan was around. We had so much fun together. We loved getting dressed up, taking pictures, and going shopping. She was beautiful inside and out, and her presence and bubbly personality lit up a room. She was kind to everyone she encountered. I pray her family finds some comfort that Megan was a shining light, and so many people loved her. She will be sorely missed.

“ *My Sweet Lil Meggie Lou, There are so many memories I could share. All of them are precious ones that I will hold very dear to my heart. You were the greatest friend any of us could ask for and your smile could light up any room. You were there for me during my most difficult times in my life and I cant imagine the fact that you wont be there for the best times when they come around. I will miss our trips to orange leaf, the times Jamie, Morgan and I turned your face 50 shades of red by saying one word lol, You smacking your "muscles" to show Rick that you were a beast, recording PA announcements in your British accent and then actually playing them, talking about how HANGRY you were getting, but most of all I will miss you PERIOD! You were one in a million Meg. The best mom, a great friend, just simply a beautiful soul. If I could have traded places with you I would have in a heart beat. This world is not the same without you in it but Heaven sure did gain one amazing angel! I love you! "Girl, Bye"*

“You were sweet, sassy, spunky. Full of life and love. This world will not be the same without you in it. You were truly a sister-in-love not just in law. You meant so much to Brad and me. We will have an empty place in our hearts until we see you again when our own time comes. I can't fathom the things you are seeing and experiencing right now in the very presence of God. You are in such a better place than us left here. We love you, we miss you, you will always be our "baby" sister.
