“ *Danny, Cathy and Melisha's husband and children, words can not express how sorry we are about Melisha. We love our children unconditionally and would give our life for thiers, but sometimes God has different reasons that we cant, and we dont understand why he took her at such a young age. We are so sorry for the pain you have to bear. Just remember you are in our thoughts and prayers. Always stay close to each other because we never know when it may be the last time we see or talk to loved ones. Again please know our hearts go out for each of you. Your old friends Rodney and Jane Johnson*
