“ I was out of the country when Mervin passed away, and just now learned that he is gone. I remember Mervin well, as a fellow Prudential agent to my dad, Bill Wyatt. Mervin was a friend to my dad and, when my father had suffered a debilitating strike and could no longer walk, Mervin visited him in the rehab facility and gave him a haircut. The trim was good and the support was better. Mervin was a good man. He is missed.
