“ *Mike was a great guy back in college. He had my back in one fight in particular I remember. He did live the Stones. Wish I could have gone with him to one of the Stones concerts. I'll miss you brother. Rest in Peace. Garry Dolin.*

“ *Mike was my brother and soon to be working with Bear and I in Little River. I'm devastated and hurt at his leaving us so soon. My best memory with Mike was going to church at Assumption and sitting in the loft. He found a hollow spot in the wall and would invariably tap, tap, tap until he found it. He got the funniest look of surprise on his face every time he did. He was my brother and I love him!*
