“ *Jim, Nancy, & Samantha-my thoughts & prayers are with you all. Michael was such a great guy! I have many wonderful memories of growing up with him then later, our kids made memories playing together. A memory of him that will forever stick out in my mind is Mike taught me how to ride a bike without training wheels! He held onto my bike and told me to start pedaling and said he wouldn't let go. Well he lied! I looked back and he was standing there, laughing and I was riding my bike all by myself. I was always too scared to try on my own, but Mike was able to get me to give it a try :)*
