“ *So sorry to hear of Mike's passing. He was one of my best friends in high school. I'll cherish those memories of him. I was blessed about a year ago he called and said he wanted to come and visit me. I hadn't seen him for probably 15 years. He did come down and we spent half a day just talking about crazy things we did when we were young and getting caught up with our lives. That is my last memory of him but how special it is to me. I was proud to call him my friend. Rest In Peace. Joe Bowman Southside WV*

“ *Mike built our beautiful sunroom where we spend a lot of time. We enjoy it so much. During that time he took our cocker spaniel Maggie outside for walks as we were at work. Maggie even knew what a great guy Mike is. Later Mike did some work on our daughter's house which she was extremely pleased with too. Thanks Mike. May God bless you.*

“ *You were so much more than a step-father, you were my bonus dad. The absolute best grandpa to both my kids. Although my heart breaks without you here I know you are flying high on that mountain. I will always love my Mikey!*

“ Mike has been our neighbor for almost 20 years. Words cannot express how much he will be missed. He will especially be missed by our dog, Harley, whom he affectionately called “his dog.” She would go spend the day at his house, and loved taking walks with him. May God give his family comfort and strength during this time of sorrow.
