“ Coach Sawyer was my basketball coach in middle school. I appreciated the fact that he was tough, brutally honest, and fair. When he coached us hard we never questioned his care for us. Most of the things I utilized in my own coaching career, I learned from him. He brought out the best in me as a basketball player and person. I love and miss you Coach. Blessings and prayers of strength to your family.

“ *Coach Sawyer was my drivers ed teacher before he had to leave for the semester. He was the best mentor I could've asked for on the road; he helped me get over my fears with driving. He was the most fun teacher I could've had for that class. I send prayers and condolences to the family* 💜👍

“ *Sawyer Family,  
My sincere sympathy to your family. Mike and I experienced a lot of great times as well as tough times while basketball teammates during junior high school and as members of the varsity team at Winfield. Even though distance separated us I still would think about our times as teammates and friends. RIP Mike.

“ Glenna, Kenny and family, I am very sad to hear of Mike's passing. Life can be so difficult sometimes. My memories of Mike are mostly of us as seniors at Winfield. He was such a good basketball player. We really filled up that small WHS gym for game nights. I will remember Mike fondly as a friend. I pray God will envelope you in love and help ease your sadness in the days and months to come. God bless, Barb and Tom Sutherland
