“ *I know this is somewhat late, but I just have to share. I live in Clendenin and typically went through the McDonald's drive thru for the cheery greeting Michelle would always provide. Personal reasons had me relocate for the past 4 months. Over this past weekend I moved back to Clendenin and this morning I went to tell her I was back only to find she was not there. After asking for her, I was truly saddened immediately... She was a ray of sunshine no matter how bad my day was and Michelle you were a blessing to me and I'm quite sure to many others. I hope you days are as bright as you always made mine.*

You will be missed.

“ *I only knew Michelle through the fact that I was often a customer at the McDonald's in Elkview where she worked. Even though our interactions was limited, she was one of the nicest, sweetest people I've ever met. With the strong impression that she left on me, I'm sure her close friends and family must have been truly blessed by having her in their lives. She will be missed by anyone that ever knew her.*

“Michelle I will always remember you. I worked with you for about a year before I quit to finish school. McDonalds will never be the same with out you there. I just went through there a couple days ago and I remembered you are no longer there. Your smile and laugh will be missed by many. You never had a bad word to say about anyone you would just smile and go on about your business if someone got rude or made a comment out of the way. You was a wonderful woman and a great friend. You will always be loved and missed by everyone.

“I never actually knew her other than seeing her at work. What an incredibly infectious smile. She was always so kind and always remembered me no matter how long it had been since I was there. I feel as though I've lost a dear friend. My heart aches for her and her family. So terribly sorry for your loss. We all share in your grief.

“ We will never forget that sweet and smiling face. She always had funny things to say that would make me laugh. We shared many years of beach vacations together and would compete to see who could find the most shark's teeth. It was a tradition we'd play putt-putt golf the last night before returning home, just so many memories. It is so hard to understand why she had to leave us, I guess God needed another angel. We will always love and miss you Michelle.

“Michelle wasn't just a special person, she was an extraordinary person. She is and will always be the closest thing to an angel I have ever met. With all the years I have known her I have never heard an angry word or a bad moment. She was truly a gift from God to this planet. There were so many times we all had went driving through the country in our oversized trucks and no matter how many times mark got stuck in a ditch or slid on ice it never broke her smile. I truly love this lady, she was family, she is love and my children will forever miss auntie Michelle. Michelle, you are now back where you came from, an angel in heaven, love you always

“ My mother, my best friend... We had so much fun together we saw sooo many good movies together I can hear her asking me after the movie what my favorite part was like she always did.. we did lots of girl time shopping & the traditions she created and carried on with me are endless. I've never known a Christmas without a stalking full of goodies until this year while in the hospital with her. No matter my age she always proved I'd always be her baby by spoiling me with gifts of love for every holiday even if it was just valentines day my mom would have a card and candy for me :) she went trick or treating with me & kids so we never missed a Halloween either. I'm trying so hard to be strong and can hear her telling me & my husband "take care of those babies!"

“ So very sorry to hear of Michelle's passing. She was such a sweet, sweet soul. No matter what kind of day I was having, Michelle always managed to put a smile on my face before leaving her window. She had a gift for lifting everyone up, even in the brief time it took her to prepare orders. Not just at McDonald's but anytime I saw her out, she always had something nice to say and would ask about my family. She always told everyone how beautiful they are, but she was the true beauty. Michelle is and will be missed by all! Prayers of peace and comfort for her family.

“ I had the pleasure of meeting Michelle at Mc. Donald's. As we talked I found out that her and her husband didn't live far from me. I have a 10 yr old daughter and she would always make her feel special by sneaking a toy with her meal or a larger Icecream then I ordered :) Michelle loved her grand babies she mentioned them all the time!!! I took my daughter to Mc. Ds. today and it wasn't the same :(her ~smile and BIG heart~ will be missed by many. When I posted on FB that I was going to miss her it flooded with comments I was overwhelmed on how many knew and loved her <3
May God bless the Family and watch over them through this difficult time

“ I did not know her personally, but she definitely left her mark on the world. She was one of the sweetest people I've ever come in contact with even if it was just at he drive-thru at McDonalds. I was so sad to hear of her passing. She will be missed by many!!!

“ I truly don't think she had any idea how much her customers enjoyed seeing her smiling face. She had such a cheerful attitude. She will be missed so much from all who had the pleasure of meeting her. May she be at peace.

“Michelle was the sweetest, kindest, most gentle person I have ever known. She was the same all the time, no matter at work or out in public. She always had a smile that would just brighten your day. McDonalds has lost the best employee they could ever have. Just a couple of days before her passing, I had gone through the drive through and ordered lunch. I always ordered my large drink in a tea cup. Well that day I had done just that and as I went to reach for it and she was reaching out to help me, the lid came off and soaked my whole left side. We both were laughing so hard and joking about it all. I said it was my fault and she said "No it wasn't, it is those lids they just don't fit right". She always said the right things and made you feel so good about life. May God bless her family in the days to come. Tony and Debbie Petry
