“ *She was my Cousin and so much more to us. We live in Maryland and come many times a year to visit her and the family. We loved her and everyone so much. We got to spend time with her with in the last few months and made so many more memories and remembered all the other older memories too. I wouldn't trade them days for anything. Were so sad to not have her anymore but we all have an ANGEL watching over us daily now. Our sympathy to all.*
