“ *Linda and Diane,*

*We are so sorry about your mother. God has opened his arms for another angel. So many memories I have, coming to your house after school when we were in grade school and I lived out behind Maddox's store. And VBS at Judson, your mother working with us. So many memories, cherish them. It gets lonely because you cant see or talk to her, but she will always be in your heart speaking and watching over you. If you need anything please feel free to call. Our prayers are with you all in this difficult time. We love you.
