“ *One of my favorite memories of Ms. Midge was taking her to Lexi's wedding. I was fortunate enough to be included with all activities for the weekend. There was one particular day when we were waiting outside for Charlie when a motorcycle club stopped at the entrance of the hotel. Well it didn't take long for Ms. Midge to introduce herself and made it known she wanted to take a "ride". Several of the guys said after their morning ride they would accommodate Ms. Midge and her wishes. In that short amount of time they were talking with Ms. Midge as if they had been friends for years. I laughed and I cried during this trip but I enjoyed being with her. I was so lucky for having known and loved Ms. Midge. I love you to the moon, Jupiter, Mars and Venus. You're the best Midgeeee and what a honor and blessing it was to take care of you. Bob said enjoy some shrimp in heaven and always remember he loves you. Until we meet again, Love Donna 🙏*

“ *What a lovely lady and so sweet with her late husband, someone we also adored. They will both be missed by those whose lives they touched. Prayers, Brenda Burke*
