“ *Dear Susan,
I haven't seen you in years but I was looking up my brother in law's obit and ran across Mona's. I just wanted to say how sorry I am for your loss. Your folks were so kind to me as a kid and always so much fun. I have such fond memories of times spent in your home and on the farm.
I pray that you will be comforted by many fond memories in the coming days.*

“ Anthony, Tim, Susan and Family: We are so sorry to hear of Mona's passing. She was such a delight to be around. So pleasant and smiling. I just wish she could be here to meet her newest great-grandchild that is due this week-end. Jamie and Anthony are so blessed that she made the quilt for the baby while she still could. I pray that you feel God's loving arms around you giving you peace and strength through this all. Love and Blessings: Randy, Lynn and Gerald
