“ *We are so very sorry for your loss. I only had the privilege of meeting Mozell once - about 20 years ago and she was a sweet soul. Our mom, Sandy Burton, was a special person to her and passed away in 2001. We just wanted to pass along our condolences to your entire family.*

“ This time of year I always remember the Christmas card that would come each year from Mozell. They were like a present itself. Her cards were absolutely beautiful you could never throw them out. She loved Christmas. We will all miss her and hang onto our memories. May you have much peace this Christmas my dear aunt Moselle. Love Glenna

Let's see.... Her lil pink milkshakes, the time Brandi n I cooked Slim Fast n she chased us with the fly swatter, how she took me to take my drivers test and get my official license for the first time (no wonder I'm terrible), when wed go decorate the graves on Memorial Day, all of the great Christmas Eves there, when I was little and she dyed her hair red.... I could just go on forever with all of the great memories made with her. 🙄😭😭
