“ *I have known Nancy for many years and she was always a faithful friend. Nancy loved to talk about her childhood and she shared many interesting stories. I missed her when she moved to KY but we kept in touch by cellphone. She was a loving, caring person and she loved visiting with people and hearing about their stories. She will be missed.*

RIP Nancy!

“ I had the pleasure of meeting your beloved mother when I worked at CAMC Teays Valley Hospital out patient registration. Any time she came for blood work she would always request me because we shared a first name. We always talked longer than the time it took to register her and I enjoyed those conversations so much. She was such a sweet, kind and caring lady. She always spoke so highly of you and would smile constantly the entire conversation. I am so sorry for your loss. She was a remarkable lady and I've missed her since I retired. God bless you and your family! Nancy Sayre 🙏❤️🙏
