“ *I didn't know Nancy very well, but I'm lucky to have shared some laughter with her in the presence of her loving family. She always portrayed a warm, caring heart for her family and friends. My thoughts and prayers are in full force to her sister and my dear BFF, Susie. Also, my love and support extends to her remarkable mother, whom I love and have great respect. Claire, you are in my prayers and I'm so sorry for your deep-rooted loss of another child. Keep the faith, love Julia Reiser*
