“ Nancy had such a warm, welcoming and loving personality, with an infectious smile to match. Just talking to her was like receiving a comforting hug from an old friend.  
I am so thankful that God saw fit to match her with my Uncle Kyle in the final years of their lives, because Kyle and Nancy were obviously a healing balm for each other after each lost their long-time mates. Nancy will be deeply missed.

“ Nancy was one of my first "business clients" who became more like a friend each time I stopped by at Mouldagraph. Every time I walked through the door she would make it a point to say "hello." I would sit down with her and just talk for a little while. As I would walk out the door, I would have a smile on my face and feeling better about the day. My condolences to her family and my prayers and strength to you all.

“ *So sorry to hear about Nancy's passing. She was a beautiful person inside and out. I remember all the parties she had at her home for special occasions and sometimes just a get together. Great times were always had with a lot of wonderful people and she always made you feel right at home. She always took the time to ask how you were doing and flashed that beautiful smile she had. So glad to have been a part of those memories. Sending thoughts and prayers to all the family.*

“ *So sorry to read of Nancy's passing. My husband, John Meeks and I were great friends with Nancy and Denny back in the 70's. I would usually always see Nancy when our granddaughters would play softball. My granddaughter plays at Hurricane. I looked for her last week at the game and didn't see her and now I know why. Such a wonderful lady, always with a happy smile. My thoughts and prayers r with each of you.*
