“ So sorry to hear of Cousin Naomi's passing. She was beloved by all the family and everyone always spoke of her sweet, gentle spirit. My father, Kermit Henson, was Uncle Glen's brother. We used to visit them often when I was a child and it was always such a great time. The Henson clan were close knit and times together were always fun. Dad and Uncle Glen loved to go hunting together. You are in my prayers for God's peace to sustain you. I know Naomi is at peace with her heavenly father and her loved ones that have gone before her..She lived a good life.

*Love and Prayers,

“ *Margaret and Bill -*

*Joe and I are sorry that we will be unable to attend your mom's funeral. We have so many good memories of your mom. She was a sweet, gentle, dedicated, practical person. We liked her no-nonsense approach to life. We enjoyed the times we had with her in the choir at St. Andrew. She was so dependable up until the time she felt she could no longer sing with us. We fondly remember the choir party we had when your mom, Betty, and Gerry "retired" from Choir.*

*We love you both. May God's comfort and peace surround you and your families.*

*Love, Joe and Julie Janisch*
