“ I have such wonderful memories of David when we were growing up. He had a loving heart for everyone. He was so funny and I will never forget the funny little smile he used to give when he was talking to you. He used to call me “Youngin” on our messages to one another. However, I was older than him and I will miss our texts to one another. I pray for My Aunt Marceil, and all of his extended family to have comfort in the following days and months to come. He will live on in our hearts, and memories until that day we see him again. Love to all. Dana Martin Toleman

“ I ran the Hurricane Pizza Hut over 20 years. Mr. White and his family were regulars from the beginning. When he was out and about on his adventures ,he would come thru one door stop for a handful of mints say hello ask how business was that day then head out the other door to continue his journey. My thoughts and prayers to his family.
