“ *I knew her as Mrs. Bartlett my art teacher at Hayes Junior High (mid 90s) and she always comes to mind because I can only recall a few select teachers. I've seen her randomly throughout the years since and it's like she never aged a day. She was randomly in my thoughts today and so I did some searching and was saddened to find that she has since passed a few years now. It goes to show you that some people just stick with you all throughout your life and are locked in a special memory; and when they hear or see something it brings it all back. ❤️*

“ Dear Scott and Kelly,

My dad and I were so sorry to hear of your mom's passing. Our family's times with your family on Sun Valley Drive were some of our favorite memories of West Virginia and you have all been in our thoughts throughout the years. Talking to your mom on the phone after Brad's passing helped me so much, as she was one of the 'rocks' of our childhood. Dad spoke to her recently and it really comforted him to speak to her about Mom's passing, as well. He told me that they shared a lot of memories and also laughed a lot. Please know that our thoughts and prayers go out to you both and your families during this time.

*All of our love,

“ Norma was a wonderful caring lady and I know will be dearly missed by all. She was a great educator and really cared about the kids. Norma was our student council sponsor at Hayes and was always so supportive no matter what we wanted to do. She taught us how to lead, organize and accomplish goals and how to win friends and influence people :). I also know that Norma has been in my mom's tap dance team and has been a great friend to her and that mom has really enjoyed spending time with her. A very sweet lady that will be missed greatly but I know she will love being reunited with Brownie who I guarantee was there waiting on her at the pearly gates with a great big smile. God bless to her family. In loving memory, Tom Quinlan

“ We are saddened to hear of sweet Norma's passing. We were friends of Brownie & Norma when we lived in St. Albans, but kept in touch.

She loved daisies and I always thought of her in May when they bloomed...and will continue to do so as long as I live.

“ Your Mom, and Grandmother, Norma, was always a very nice, pleasant, friendly lady when I would see her about town. She was also a very talented lady. Several years ago, I 'commissioned' her to paint a picture of my house on McQueen Blvd. She came, took photos, and I patiently waited several months for the lovely finished product. I have since moved to Teays Valley and the beautiful pic by Norma Bartlett has a special place in my dining room. I am so happy she was willing to do this for me and I will cherish it even more. Norma will be sorely missed by so many. Cherish her memories.

“ I remember Norma as a very positive and fun-filled person. My best memories were of her playing in the bell choir I directed at St. Andrew when I was there from 2000-2015. She stood beside Becky Bostic and those two would have us in stitches during rehearsal. Joe and I loved her art. We have five of her beautiful paintings in our home. They will always be a reminder of her authentic, sweet spirit.
