“ My daughter Cassandra Marie and I visited Cousin Norma and Jesse on our way back from a PA visit with my brother Evan Chris' family. I had not seen Norma since I was a small child, when our family visited from MD. I'm so very thankful I had this visit with her and family! She was soooo sweet and kind, reminded me of my mother. We met her cats, looked at old family pictures, had a wonderful visit and met Scott as were leaving.

“ *It was always a bright spot in my day if I walked into the gym and Norma was there. She and I spent many hours talking and walking on the treadmill . She had much more stamina than I did. She loved God and Her Family and often talked of both. I was so sad to hear of her passing and will miss her very much. Such a lovely lovely lady.*

Norma Kay was one of the sweetest and kind hearted ladies I've ever known. She was always with her beautiful daughter when I saw her, and we would talk about our love of cats and her personal rescue work with kitties. We have all lost a wonderful, loving soul.

“ Norma was like a second mother to me growing up. I have been friends with her daughter, Jenny, for over 30 years. My heart is broken and this is a tremendous loss. My thoughts and prayers are with her family in this most difficult time. Norma loved life and she was very active in her church. She loved her family. She loved all animals and had a passion for rescuing cats, especially the strays behind her house. She will be truly missed by all. She was a wonderful person, friend, wife, mother and grandmother and will be missed by all who knew her.
