“ As a young child my memory of Uncle Doc would be that he was funny. Let me correct that-Silly. He was fun too. He always told me he loved me and he never called me by my name. He has always called me “Polly Chicken”. I have no idea where that comes from . That’s my memory as a young child. As an adult my memory would be seeing him and Aunt Suzanne (she was always by his side) at Uncle Bill and Aunt Joan’s or Mom and Dads house. Laughter-lots of talking and food. Yes still “Polly Chicken”❤️ It’s so difficult for our earthly bodies to accept letting our loved ones go. I find comfort in knowing that we are promised a place that is so much better than this world. We can’t really comprehend it. We have to have faith-this is where we learn our faith will give us strength. Uncle Doc is where we long to be. He is there!!!!!! He will be waiting for us. I will miss him and I can’t wait to ask him why he called me Polly Chicken ❤️ I love you all and Im praying for comfort and Joy to be with each of you. Love,Cara aka “Polly Chicken “❤️
