“ *O. Ruth Chambers Wall*

“ *It is impossible for me to say in a few words the impact Ruth Wall made on me, my four children and my 27 years in the foreign mission field. She was my mentor, my counselor, my confide. She was as excited about this ministry of saving lives and saving babies as I am. When God was opening doors in Latvia for me to share the Word, she was cheering me on and praying for me. When I was oppressed, she was still cheering me on and praying for me. Never a discouraging word, but instead quoting scripture to keep me focus on the Light and not the darkness. She loved teaching the Word and I loved learning the Word, so we had a very worthy common denominator. A friend like Ruth Wall is a rare treasure. Ruth's four children and families love her dearly. They need your prayers.*

Love you and miss you,

“ I am so grateful that I knew this lady💕. She was such a Christian example. When I was first diagnosed with breast cancer in '93, she and PJ Elkins were the first to come to my home. I will never forget their kindness. Will miss this lady💕💕💕
