“ *I went to Florida with Mel and saw OJ in the bathroom in his briefs using his just for men on his hair. That's just a really funny memory that I have of him oh yea and the hot water tank timers lol! My prayers are with the family! I love you all!*

“ *Bill and OJ would sit out back on some buckets Bill had talking away. Neither one could hear the other but there was always lots of smiles. There were some years that when we got down to Florida OJ would have tilled up Bill's garden for him. These are just a few of the many things that happened that bring smiles to our faces when we think of OJ. He will be greatly missed.*
