“ Wow what can we say about the woman who became a mom to our children when they were young! She became our in home caregiver when our first child Brittany was 4 months old and was with us for over 12 years as we added another daughter Morgan and a son Nathan As a part of our family she stayed with us even when we moved until Nathan went to school. We had a special bond with her, her mom Juanita and her girls Misty and Kimmie. She maintained a special bond with Brittany who she spoke with on the phone a few days ago. God bless you and keep you and may He bring you peace.

Love and prayers,

Randy and Alena Barnett
