“ *Drema, I am so sorry for your heartache and loss. I hope to be at Katie's funeral but I had already committed to take a friend to Cabell-Huntington Hospital Tuesday morning for an appointment. He can't drive and is dependent upon the kindness of others. I hope you will understand if I am not there. I certainly hope that this is the last of the heart-breaking losses you will have to bear! I can't begin to tell you how much I admire your strength and long-suffering and devotion to your family.*

*Love,  
The Happy Meal Lady*
