“ *Aunt Patty...smiling, with a quiet laugh, always stylish, collector of wayward animals that needed a home, funny, smart and beautiful. Life kept us more distanced as the years went by, but as a child and teenager I had the opportunity to spend time with her. There was always lots of laughter and silliness. Family has always been very important and I treasure the memories of the Johnson clan together. I am sure there was a huge reunion as Patty made her way back home. Peace. Love. Light. She shines like the sun.*
