“ *It was a pleasure in my life to be a friend of Paul Wherle. Paul and I worked together at Allegheny Freight Lines. A year later Paul helped me to become an employee at Holland. We commuted together for years to work. We had a lot of laughs and I gained a lot of wisdom and support. Paul loved his family more than anything else. God bless you Paul Wherle and God comfort your family.*

“ *So sorry to learn that Paul had passes away. I have many fond memories of Paul from where he would deliver product from Dupont Plant back in 1978-1979. He knew my father who was also a local teamster and we often had break at the same table when time permitted.*
