“ *My grandma, you raised from a baby. 29 years with you were amazing. I was and still am your baby. Thank you for everything you done for me. Thank you caring. Saturday night when you and I had that 2:00a.m., while you just laid and listened, that help you go on. You was waiting for me to tell you I would be okay, and I promise I will. It was 7 hours later you were gone. I was holding your hand as you let go of life. The other things I told you, only me and you know, but thank you. I will live you forever and day, always and forever as you to say. I love you, goodbye!*
