“ Peggy was my neighbor and my second mom for almost 30 years I will always remember her and her flowerbeds. Whenever I would look out my front door she would always be in one of her flowerbeds, planting flowers, pulling weeds or just checking on the progress. And if I was missing my dog Elvis I would just have to look across the street and she would be there with Peggy, sitting on the front porch or sitting watching her in the flowerbeds. Godspeed Peggy, until I see you again, forever in my heart.

“ Jim I have thought about you and Peggy many times through the years but didn’t know how to contact you. I have such good memories from when we were neighbors. Peggy was always cheerful and kind, and I truly loved her. I know your heart is broken. I have an appointment on Tuesday and won’t be able to attend her funeral, but I’m sending a hug to you and the girls. Ken sends his condolences too.
