“ *Phala was one of a kind! I worked for her at the Credit union when I was in high school in the 1980s and I continued to be a member of the credit union because of Phala. I always admired her work ethic and her sense of style! And she had the best memory for small details! Sometimes it would be a year since I'd seen her but she never forgot to ask about my children, always remembering their names and the activities they were interested in. She took a liking to my son and would always send him little gifts just to show she cared. I cannot imagine that credit union without her there! I didn't hear of her passing in time to attend the funeral but I offer my sincere condolences to her family. She was a true gem! I learned so much about hard work and integrity from her! She was always so good to us! My family and I will never forget Phala Sigmon! 💕🙏*
