“ *Dear Rick and sons,
Thinking of you at this sad time. Know that I care but, unfortunately, will not be able to attend the service. Phyllis was always a good neighbor and she will be missed. I have memories of working with her at Hansford Grade School when you and my boys were in attendance there together. We often spoke or visited when she would be driving up and down the street doing her errands. She truly loved you and the boys, Rick. May Phyllis rest in peace.*
